CUSTOMS

New Delhi, the 14th July 1956

S.R.O. 1631.—In exercise of the powers conferred by sub-section (1) of section 43B of the Sea Customs Act, 1878 (VIII of 1878), as in force in India and as applied to the State of Pondicherry, the Central Government hereby directs that a drawback shall be allowed in accordance with, and subject to, the provisions of the said section and any rules made thereunder, in respect of duty-paid foreign component parts used in the manufacture or assembly of radio receivers and of loudspeakers, potentiometers and band changing switches for radio receivers when such goods are manufactured or assembled in, and exported from, India or the State of Pondicherry or are shipped as stores on board a ship proceeding to a foreign port.

[No. 53.]

[F. No. 34/29/54-Cus. IV.]

S.R.O. 1632.—In exercise of the powers conferred by sub-section (3) of section 43B of the Sea Customs Act, 1878 (VIII of 1878), as in force in India and as applied to the State of Pondicherry, the Central Government hereby makes the following rules, the same having been previously published as required by sub-section (3) of the said section, namely:—

THE CUSTOMS DUTIES DRAWBACK (RADIO RECEIVERS) RULES, 1956

1. **Short title.**—These rules may be called the Customs Duties Drawback (Radio Receivers) Rules, 1956.

2. **Definitions.**—In these rules, unless the context otherwise requires,—

(a) 'the Act' means the Sea Customs Act, 1878 (VIII of 1878);

(b) 'imported materials' mean the following materials imported on payment of customs duty by a registered manufacturer, namely:—

(i) ballast tubes, carbon resistances, iron dust cores, magic eye, phono jacks, rectifiers, valves, valve bases and vibrators for radio receivers;

(ii) audio transformers, banana plugs, band changing switches, ceramic condensers, chokes, coils, electrolytic condensers, gang condensers, intermediate frequency transformers, loudspeakers, mains transformers, mica condensers, paper condensers, phono plugs, plastic cabinets, plastic moulded grills, potentiometers and wire wound resistances for radio receivers provided that all the components bear clear identifiable marks establishing their foreign origin to the satisfaction of the Customs Collector; and

(iii) components for the assembly in India or the State of Pondicherry by a registered manufacturer of loudspeakers, potentiometers and band changing switches for radio receivers;

(c) 'quarter' means a period of three months beginning with the first day of January, the first day of April, the first day of July and the first day of October;

(d) 'radio receivers' mean radio or wireless receivers assembled or manufactured in India or the State of Pondicherry by a registered manufacturer and exported or shipped as stores on board a ship proceeding to a foreign port;

(e) 'registered manufacturer' means a manufacturer or assembler in India or the State of Pondicherry of radio receivers, registered under rule 4; and

(f) 'section' means a section of the Act.

3. Goods in respect of which drawback may be paid.—Subject to the provisions of the Act and these rules, a drawback shall be allowed in the case of radio receivers (hereinafter referred to as the goods) manufactured or assembled in India or the State of Pondicherry by a registered manufacturer and exported or shipped as stores on board a ship preceeding to a foreign port, in respect of all or any of the imported materials used in the manufacture of such goods.

4. Registration of manufacturers.—(1) A drawback permissible under these rules shall apply only in respect of such goods as have been manufactured or assembled by a person who has, in accordance with the provisions of these rules, been registered for such purpose by a Chief Customs Officer authorised in this behalf by the Chief Customs Authority and hereinafter referred to as the authorised Chief Customs Officer.

(2) As application for registration shall be made by a manufacturer or assembler of the goods to the authorised Chief Customs Officer.

(3) Such application shall specify the models, brands, code numbers and other particulars of the goods in respect of which registration is required and shall, in respect of each such model or brand, furnish—

(a) the description and quantity of imported materials falling under sub-clause (i) and (ii) of clause (b) of rule 2, used in the manufacture or assembly of one unit;

(b) the description and quantity of the imported components falling under sub-clause (iii) of clause (b) of rule 2, used in the assembly in India or the State of Pondicherry by the registered manufacturer of loud speakers, potentiometers and band changing switches required for the manufacture or assembly of one unit; and

(c) the average amount of customs duty on units of the above materials and components imported during the preceding six months or such longer period in respect of any of the imported materials as the authorised Chief Customs Officer may deem appropriate and the amounts of duty paid thereon.

(4) The authorised Chief Customs Officer may, if satisfied that the requirements of sub-rule (3) have been fulfilled, register the applicant as a manufacturer for the purpose of these rules.

(5) The registered manufacturer shall not vary the quantities and varieties of imported materials used in the assembly or manufacture of the different models and brands, in respect of which registration has been allowed, save with the prior permission of the authorised Chief Customs Officer.

(6) Any registered manufacturer contravening the provisions of the last preceding sub-rule shall render himself liable to have his registration cancelled without prejudice to any other penalty to which he may be subject under the Act and these rules.

5. Rate of drawback.—(1) Where the Customs Collector is satisfied that a claim for a drawback is established under these rules, such drawback shall be paid at the rate indicated hereunder.

(2) The rate of drawback of duty admissible under these rules on the shipment of the goods in the prescribed manner shall be seven-eighths of the average amount of duty paid on all or any of the imported materials used in the manufacture or assembly of the particular model or brand of radio receivers.

(3) The drawback shall be determined by the authorised Chief Customs Officer at the beginning of every quarter, in respect of each model or brand of the goods manufactured or assembled by a registered manufacturer and shall be calculated on the basis of the statements furnished by such registered manufacturer and duty verified by a Customs Officer, of the average value of the imported materials or components used in the manufacture or assembly of each such brand or model, and the duty paid thereon, such valuation being based on the value of imports in the preceding six months or such longer period in respect of any imported material as the Customs Collector may deem proper.

(4) The drawback so determined shall be in force for the quarter for which it has been determined under sub-rule (2) and shall apply to shipments made during that quarter from any port in India or The State of Pondicherry.

6. Manner of allowing drawback.—Drawback shall be allowed on the shipment of the goods from any port in India or the State of Pondicherry subject to the following conditions, namely—

(a) the shipper shall make a declaration on the relative shipping bill—

(i) that the claim for a drawback under section 43B is being made, and

(ii) that the quantities and varieties of imported materials or components used in the manufacture or assembly of the models or brands under shipment have not been varied subsequent to registration except in accordance with the provisions of sub-rule (5) of rule 4.

(b) The shipper shall, in the shipping bill, furnish, in addition to information required under section 29 such other additional information as may, in the opinion of the Customs Collector, be necessary for verifying the claim for a drawback, and in particular the Customs Collector may require such additional information in respect of the following matters, namely:—

(i) the description of the goods,

(ii) the model, brand, variety, code number and such similar specifications attached to the goods,

(iii) the name of the registered manufacturer, his registration number, if any, and the name of the Chief Customs Officer by whom he was registered.

7. Powers of Customs Collector.—For the purpose of enforcing these rules, the Customs Collector may require a registered manufacturer to produce any books of accounts or other documents of whatever nature relating to the proportion and quantity of different imported materials used in the manufacture or assembly of the goods, the value of such imported materials and the duty paid thereon.

8. Access to manufactory.—A registered manufacturer of goods in respect of which a drawback is claimed under these rules shall be bound to give access to every part of his manufactory to any officer of the Central Government, specially authorised in this behalf by the authorised Chief Customs Officer, to enable the officer so authorised to inspect the process of manufacture and to verify by actual check or otherwise the statements made in respect of the claim for a drawback.

MINISTRY OF COMMERCE AND INDUSTRY

New Delhi, the 12th July 1956

S.R.O. 1636.—The following amendments to the Coir Board (Transaction of Business Conditions of Service of Employees and Maintenance of Accounts) By-Laws, 1955, made by the Coir Board in exercise of the powers conferred by section 27 of the Coir Industry Act, 1953 (45 of 1953) and confirmed by the Central Government, are hereby published as required by sub-section (2) of the said section, namely:—

In the said bye-laws—

“(i) for clause (1) of bye-law 14 the following shall be substituted, namely :—

“(1) For attending any meeting of the Board or any Committee constituted under the Act or for attending to any other business of the Board, members shall be entitled to a payment of travelling and daily allowances at the following rates, namely :—

(a) Official members . . . Travelling and daily allowances at the rates admissible to such official members—under the service rules applicable to them.

(b) Non-Official members . . . For journeys performed to attend the Board's or Committee's meetings or for any other business of the Board, rail, steamer or air fare and road mileage from the usual place of residence, as for Government servants of the first grade serving under the Government of India plus a daily allowance at the maximum rates prescribed for a town for days of attendance at meetings or days of residence in connection with Board's or Committee's meetings or other business of the Board at a place other than the usual place of residence of the member concerned. In addition to the daily allowance, which will be admissible to a member for the days of the meeting, half daily allowance shall be admissible to the member for the day preceding the day of the meeting if he arrives in the afternoon of that day and also for the day following the meeting if he leaves in the forenoon of that day. If a member arrives in the forenoon of the day preceding the day of the meeting or leaves in the afternoon of the day following the meeting, he shall be entitled to full daily allowance for the day preceding or as the case may be, the day following the meeting.

No daily allowance will ordinarily be admissible to member for the day he absents himself from a meeting, but the Board may allow the allowance, if it is satisfied that the absence was due to reasons beyond the Control of the member.

A member who is resident at a place where the meeting of the Board or any of the Committees is held or where any other business of the Board is transacted, may be paid the actual expenditure incurred on conveyance by him subject to a maximum of Rs. 10 per day.”

2. For bye-law 23, the following bye-law shall be substituted, namely :—

"23. All cheques authorising payments by or on behalf of the Board and all orders for making deposits or investments or for the withdrawal of the same or for the disposal in any other manner of the funds of the Board shall be signed by the Secretary and countersigned by the Chairman or in the absence of the Chairman, by the Vice-Chairman, or in the absence of both the Chairman and Vice-Chairman, by a member of the Executive Committee specially authorised for the purpose".

MINISTRY OF COMMUNICATIONS

New Delhi-2, the 21st July 1956

S.R.O. 1645.—In exercise of the powers conferred by Section 5 of the Indian Aircraft Act, 1934 (XXII of 1934), the Central Government is pleased to direct that the following further amendments shall be made in the Indian Aircraft Rules, 1937, the same having been previously published as required by section 14 of the said Act, namely:—

In the said Rules for "Part X—Investigation of Accidents", the following shall be substituted, namely:—

PART X—INVESTIGATION OF ACCIDENT

68. **Notification of accidents.**—(1) An accident in which an aircraft is involved shall be notified in accordance with the provisions of sub-rules (3), (4) and (5) of this rule if between the time any person boards the aircraft with the intention of flight until such time as all such persons have disembarked:—

(a) any person suffers death or serious injury as a result of being in or upon the aircraft or by direct contact with the aircraft or anything attached thereto, or

(b) the aircraft receives substantial damage.

(2) The term "substantial damage" used in sub-rule (1) shall include any damage which necessitates the replacement or extensive repair of any major component.

(3) Where an accident occurs which has to be notified under sub-rule (1), the person in command of the aircraft or, if he be killed or incapacitated, the owner, the operator, the hirer or other person on whose behalf he was in command of the aircraft, as the case may be, shall—

(a) send notice thereof to the Director-General, and

(b) give information to the District Magistrate and the officer-in-charge of the nearest Police Station.

(4) The notice and information shall be sent as soon as possible and by the quickest means available and in any case within 24 hours after the occurrence of the accident.

(5) The notice to the Director-General shall contain the following information namely:—

- (i) the type, nationality and registration marks of aircraft;
- (ii) the name of the owner, operator and hirer of the aircraft;
- (iii) the name of the person in command of the aircraft;
- (iv) the names and description of the crew of the aircraft;
- (v) the nature and purpose of the flight;
- (vi) the date and time of the accident;
- (vii) the place where the accident occurred;
- (viii) the last point of departure and the next point of intended landing of the aircraft;
- (ix) the nature of the accident;
- (x) the number and description of the persons killed and injured as a result of the accident; and
- (xi) the extent of known damage to the aircraft.

69. Report on accidents.—The person in command or the owner of the aircraft which has been involved in an accident, whether or not it is required to be notified under rule 68(1), shall, if so required by the Director-General, submit to him a written report on such accident in such form as he may prescribe.

70. Removal and preservation of damaged aircraft.—(1) In the case of an accident which requires to be notified under rule 68 or 69, or in any other case in which the Director-General gives notice to the owner or other person in charge of the aircraft to this effect, the aircraft shall not, except under the authority of the Director-General, be removed or otherwise interfered with:

Provided that, subject to compliance with the provisions of rule 61 of the Indian Aircraft Rules, 1920, in so far as they may be applicable—

- (i) If the aircraft is wrecked on water, the aircraft or any parts or contents thereof may be removed to such extent as may be necessary for bringing it or them to a place of safety;
- (ii) the aircraft or any parts or contents thereof may be removed or interfered with so far as may be necessary for the purpose of extricating persons or animals dead or alive, or preventing the destruction of the aircraft and its contents by fire or other cause or of preventing any damage or obstruction to the public or to air navigation or to other transport;
- (iii) goods shall not be removed from the aircraft except under the supervision, and with the concurrence of an officer of the Civil Aviation Department;
- (iv) Passengers' and crews' personal luggage may be removed from the aircraft under the supervision of an Officer of Police Department, a Magistrate or an Officer of the Civil Aviation Department; and
- (v) mails may be removed under the supervision of an Officer of the Police Department, a Magistrate, an Officer of the Civil Aviation Department or an Officer of the Posts & Telegraphs Department.

(2) The Director-General may, for the purposes of any investigation or inquiry under these rules, authorise any person to take measures for the preservation of any aircraft involved in an accident, and such person may thereupon have access to, examine or otherwise deal with the aircraft.

(3) The owner of the aircraft or his nominated representative shall have the right to be present during any examination or other action taken under sub-rules (1) and (2), provided that the Director-General shall not be bound to postpone any action which he may consider necessary under this rule by reason of the absence of the owner or his representative.

71. Inspector's investigation.—(1) The Director-General may order the investigation of any accident involving an aircraft, whether such accident is required to be notified under rule 68 or not, by general or special order, appoint any person (hereinafter referred to as an "Inspector of Accidents") for the purpose of carrying out such investigation.

(2) The investigation referred to in sub-rule (1) shall be held in private.

(3) The investigation shall be conducted in such a manner that if a charge is made or likely to be made against any person and if it appears to the Inspector of Accidents to be practicable so to do that person shall be given notice that blame may be attributed to him; and thereupon he may be given a reasonable opportunity of being present and making any statement or giving any evidence and producing witnesses on his behalf and examining any witnesses from whose evidence it appears that blame may be attributed to him.

(4) A public notice that such investigation is taking place may be given by the Director-General in such manner as he may think fit and every such public notice shall state that any person who may desire to make representation concerning the circumstances or causes of the accident may do so in writing within the time specified in the notice.

(5) The Inspector of Accidents shall make a report to the Director-General stating all relevant facts with regard to the accident and his conclusions with regard to the causes of the accident, and adding any observations and recommendations which he may think fit to make with a view to preservation of life and avoidance of similar accidents in future.

(6) The Director-General shall forward the report of the Inspector of Accidents to the Central Government with such comments as the Director General may think fit to make, and the Central Government may, at its discretion, make the whole or part of any such report public in such manner as it may consider fit.

72. Powers of Inspector of Accidents.—For the purpose of such investigation an Inspector of Accidents shall have power—

- (a) by summons under his hand to require the attendance of any person whom he thinks fit to call before him and examine for such purpose and to require answers or returns to any inquiries he thinks fit to make;
- (b) to require any such person to make and to sign a declaration regarding the true nature of the statements made by him;
- (c) to require and enforce the production of all books, papers, documents and articles which he may consider necessary for the investigation, and to retain any such books, papers, documents and articles until completion of the investigation; and
- (d) to have access to and examine any aircraft involved in the accident, the place where the accident occurred or any other place, the entry upon and examination of which appears to the Inspector necessary for the purpose of the investigation.

73. Inspector's fee.—When a person other than an officer of Government is appointed an Inspector of Accidents he may be granted such fee and expenses as may be determined by the Central Government.

74. Committee of Inquiry.—(1) The Central Government may, at its discretion, appoint a Committee of Inquiry composed of two or more persons to hold an inquiry into an accident in which an aircraft is involved, and such a Committee shall have the same powers as an Inspector of Accidents under rule 72.

(2) The Committee of Inquiry may at its discretion hold the inquiry in public or in private.

(3) The Inquiry shall be conducted in such a manner that if a charge is made or likely to be made against any person, that person shall be given notice that blame may be attributed to him and thereupon he may be given a reasonable opportunity of being present and making any statement or giving any evidence and producing witnesses on his behalf and examining any witnesses from whose evidence it appears that blame may be attributed to him.

(4) A public notice that an inquiry is taking place may be given by the Central Government in such manner as it may think fit and every such notice shall state that any person who may desire to make representations concerning the circumstances or causes of the accident may do so in writing within the time specified in the notice.

(5) The Committee of Inquiry shall make a report to the Central Government stating all relevant facts with regard to the Accident and its conclusions with regard to the causes of the accident, and adding any observation and recommendation which it may think fit to make with a view to preservation of life and avoidance of similar accidents in future.

(6) The Central Government may cause the whole or part of any such report of the Committee of Inquiry to be made public in such manner as it may think fit.

(7) When a person other than an officer of Government is appointed as a member of the Committee of Inquiry he may be granted such fee and expenses as may be determined by the Central Government.

(8) Every person summoned by the Committee of Inquiry as a witness in accordance with these rules shall be allowed such expenses as the Central Government may from time to time determine.

75. Formal Investigation.—Where it appears to the Central Government that it is expedient to hold a formal investigation of an accident, it may, whether or not an investigation or an inquiry has been made under rule 71 or 74, by order direct a formal investigation to be held; and with respect to any such formal investigation the following provisions shall apply namely:—

(1) The Central Government shall appoint a competent person (hereinafter referred to as "the Court"), to hold the investigation, and may appoint one or more persons possessing legal, aeronautical, engineering, or other special knowledge to act as assessors, it may also direct that the Court and the assessors shall receive such remuneration as it may determine.

(2) The Court shall hold the investigation in open court in such manner and under such conditions as the Court may think most effectual for ascertaining the causes and circumstances of the accident and for enabling the Court to make the report hereinafter mentioned.

(3) (i) The Court shall have, for the purpose of the investigation, all the powers of a Civil Court under the Court Code of Civil Procedure, 1908, and without prejudice to those powers the Court may—

- (a) enter and inspect, or authorise any person to enter and inspect any place or building, the entry or inspection whereof appears to the Court requisite for the purposes of the investigation; and
- (b) enforce the attendance of witnesses and compel the production of documents and material objects; and every person required by the Court to furnish any information shall be deemed to be legally bound to do so within the meaning of section 176 of the Indian Penal Code.

(ii) The assessors shall have the same powers of entry and inspection as the Court.

(4) The investigation shall be conducted in such manner that, if a charge is made or likely to be made against any person, that person shall have an opportunity of being present and of making any statement or giving any evidence and producing witnesses on his behalf.

(5) Every person attending as a witness before the Court shall be allowed such expenses as the Court may consider reasonable:

Provided that, in the case of the owner or hirer of any aircraft concerned in the accident and of any person in his employment or of any other person concerned in the accident, any such expenses may be disallowed if the Court, in its discretion, so directs.

(6) The Court shall make a report to the Central Government stating its findings as to the causes of the accident and the circumstances thereof, and adding any observations and recommendations which the Court thinks fit to make with a view to the preservation of life and avoidance of similar accidents in future, including, a recommendation for the cancellation, suspension or endorsement of any licence or certificate issued under these rules.

(7) The assessors (if any) shall either sign the report, with or without reservations, or state in writing their dissent therefrom and their reasons for such dissent, and such reservations or dissent and reasons (if any) shall be forwarded to the Central Government with the report. The Central Government may cause any such report and reservations or dissent and reasons (if any) to be made public, wholly or in part, in such manner as it thinks fit.

76. Obstruction of proceedings.—(1) No person shall obstruct or impede the Court or a member of the Committee of Inquiry or an Inspector of Accidents or an assessor or any person acting in the exercise of any powers or duties under the rules in this Part.

(2) No person shall without reasonable excuse (the burden of proving which shall lie on him) fail to comply with any summons or requisition of a Court or a Committee of Inquiry or an Inspector of Accidents holding an investigation or an Inquiry under the rules in this Part.

77. Accident to aircraft registered in a foreign State.—Where an investigation by an Inspector of Accidents or an inquiry by a Committee of Inquiry or a formal investigation by a court relates to an accident which has occurred in or over India to an aircraft registered in a country other than India, an accredited representative of the country in which the aircraft is registered, and of any other country which has on request furnished information in connection with the accident, may participate in the investigation inquiry or formal investigation as the case may be; he may be accompanied by such technical or other advisers as may be considered necessary by the authorities of the country by which he is appointed.

77-A. Saving.—Nothing in this Part shall limit the power of the Central Government with regard to the cancellation, suspension or endorsement of any licence or certificate issued under these rules.

2. In Schedule VI for the figures "69, 70" occurring in the second Column against item "7. Aircraft Accidents—", the figures "68, 69" shall be substituted.
